Vol. VIII | Lakeside, San Diego County, California, Thursday, April 16, 1953 | No. 3

Hats In The Ring

Following are the statements of J. Rupert Linley, Thomas Barkdull and Edna Kouns, who have filed for trusteeship in the coming election of the Lakeside Union School district.

(By J. Rupert Linley)

In announcing his candidacy for re-election as member of the Board of Trustees of the Lakeside Union School District, the following statement was made by C. Rupert Linley, present Clerk of the Board:

The position of school trustee is one carrying no salary and requiring a great deal of time and attention in public service, and normally no one wants such a job; however, we are faced this year with a serious campaign which has as its major objective the discharge or resignation of our District Superintendent, Elmer M. Walker, and therefore I must actively seek re-election as a member of the Board at the election of May 15th. My major objective is to secure the election of two persons who are open-minded, pleased with the progress and administration of our school district to date, and not dedicated to the proposition that Mr. Walker has failed to agree with them in all things in the past and therefore must go. This is an attack on our schools, of which I am sure most of our people are justly proud, and the attack must be vigorously defended.

It is well known that I believe sincerely that Mr. Walker has done an excellent job as our Superintendent and that he has advanced the cause of good public education greatly during the approximate six years he has served in that capacity, and that his usefulness to our District and its children is not at an end. He has worked unceasingly, days, evenings and sometimes holidays, with the sole purpose of properly increasing educational opportunities for our children.

The following persons have filed declarations of candidacy and, unless other declarations are filed, these four names will be on the ballot: C. Rupert Linley, Thomas Barkdull, Hart Dunham and Mrs. Edna Kouns. Tom Barkdull and I are pleased and proud of our Lakeside schools and feel that we have been and are fortunate in having the services of such a competent man as Elmer Walker as Superintendent, and we do not want to see the progress and smooth and efficient operation of our educational system torn down and destroyed. Mr. Dunham and Mrs. Kouns have expressed themselves openly as being quite dissatisfied and displeased with the administration of the school district by Mr. Walker. Thus, the only issue in this campaign is whether to retain our Superintendent or to discharge him; it is the duty and privilege of the school district to employ all district personnel; the latter two persons have in the recent past endeavored to obstruct many progressive and efficient plans of the Superintendent, which plans have had the full approval of a majority of the Board of Trustees, and if either one is elected, it is evident that they will continue to endeavor to obstruct most of the plans of the majority of the school board and the Superintendent, even if they are not successful in obtaining his discharge.

It has become all too common a practice to attack the schools, belittle the sincere efforts of teachers and administrators and generally to tear down confidence in the schools. Usually these attacks are entirely negative without containing constructive suggestions of how the job should be done. Our schools are the one great means of providing the education which is necessary so that we will have an informed people — and only an informed people can remain a free people.

The qualifications of Tom Barkdull will be set forth in a separate announcement; he is broad in his thinking and an excellent community representative in every respect.

I will try to be brief regarding my qualifications. I have resided in Lakeside since June of 1945; was appointed as a member of the school board of trustees in November, 1946, and have served as such for over six years. I have two children in the Lindo Park School, and my wife, Betty, spends most of her time taking care of our home and children, although she has been for some time a "room mother" and has consented to act in the coming year on the executive board of the Lakeside P. T. A. as Room Mother Chairman. I was for a while secretary of the Lakeside Chamber of Commerce and also its president and was active in the Lakeside Civic Corporation; was one of the organizers and am an honorary member of the Lakeside Optimist Club. My business as an attorney at law is in El Cajon, but Lakeside is my home and the place where I want to live.

(By Thomas Barkdull)

Tom Barkdull, local Land Surveyor, filed a Notice of Candidacy for Trustees of the Lakeside Union School District with the Superintendent of County Schools early this week.

Mr. Barkdull has been a resident of Lakeside since 1946 and is well known to most residents of our community. He was President of the Kiwanis Club in 1950 and has been active in Youth Service in that organization for the past 4 years. As President of the Lakeside Advisory Committee Mr. Barkdull has been in close contact with our school problems and as President of the Lakeside Recreation Association has furthered his knowledge of the youth of our area and their problems.

All of this candidate's professional career has been in Engineering and Construction, resulting in experience and contacts which should prove invaluable to our School District during the present period of school expansion and continued construction.

The following statement was made to the Star by Mr. Barkdull after his candidacy had been announced: "I have felt for some time that our School District could use to great advantage the experience and connections of one who has been working daily with Engineering and Construction problems in San Diego County. The logical capacity for such an individual to serve the community is of course as a member of the Board of Trustees.

"I am not unacquainted with our school problems, being at the present President of the Citizens' Advisory Committee and member of the Grossmont Advisory Commitee, and having taught Mathematics and Engineering Drawing two school years for the San Diego City Schools Adult Education program.

"Inasmuch as the issue of this election has been becoming more and more apparent during the past several months, until now it is clear cut and unmistakable, I will at this time make my stand clear in regard to the Administration of our District. It is my sincere belief that our Superintendent, Mr. E. M. Walker, is capable and fundamentally honest and that our two school plants bear most obvious witness to the hard and conscientious work which this man has been carrying on in our behalf. It is with only disgust that I have watched Mr. Walker attacked recently with such weapons as whispering campaigns, malicious gossip, secret investigations and even letters written to him of a most vicious nature. The minority faction behind these tactics have now carried their animosity, which I am sure is of a personal nature, to the point where it has caused much discord in the meetings of the Board of Trustees. I firmly believe that every voter in our District wished some vestige of harmony returned to the Board and that all possible irregularities be explored and openly laid on the table for all to judge, citizens and Board members alike. I have the utmost abhorrence for the recently displayed theory that a man in a responsible position is guilty even after being proved innocent.

"For the reasons set forth above I have filed as a candidate for the Board of Trustees election to be held in Lakeside on May 15 and will proudly ask that I be considered with Mr. Rupert Linley, also a candidate and the one who shares with me the firm belief that only fair play and clear thinking shall be employed by this governing body of our Lakeside Schools."

A periodic physical examination is the best method of guarding against cancer, the American Cancer Society points out.

(By Mrs. Edna E. Kouns)

I have filed my application of candidacy for trustee of the Lakeside Union School District at the request of parents in every area of the district. A number of these are residents of Winter Gardens, Lakeside Heights, and Riverview, in which I live, and which has been without representation on the board although about one third of the children in Lakeside schools come from this area. Many parents have also expressed the wish that at least one of the five trustees could be a woman.

Because of my experience as a teacher and extensive work in PTA and other community organizations, and because I am the mother of three children, I feel that I can study problems of the school district from the view-point of the teacher, the citizen, and the parent.

As a parent I believe the welfare of our children should be given first consideration at all times.

As a taxpayer and property owner I believe tax money should be spent cautiously in the school district, and in such a way as to bring direct benefit to the children.

I feel that it is very citizen's responsibility to take an active interest and part in his community's development.

I believe the opinions of residents of the district are valuable and should be considered in order to continue the fine cooperation between the community and the schools of our district.

Mrs. Kouns, who made official anouncement of her intentions in the above letter, has been a resident of Lakeside for 28 years.

She graduated from Grossmont in 1932 with honors, being one of the few to receive the Circle award. She attended the University of Redlands for two years before transferring to San Diego State where she graduated in June 1936 with a Bachelor of Arts degree and a general elementary school credential. She is a member of the Pi Kappa Delta, national honorary forensic society; and of the A. A. U. W.

In addition to her experience as a teacher she has worked as bookkeeper for a local lumber supply firm for over a year. She has held many offices in PTA, including that of unit president for two years, and is presently serving as president of El Capitan Council which is comprised of all PTA units east of Grossmont. She is a member of the Lakeside Community Church where she assists in the primary department of the Sunday School. She plays in the PTA orchestra and has helped promote 4-H, Little League Baseball, Valley Gun Club, and other youth groups.

Her parents are Mr. and Mrs. Stuart Swink, Cajon Rd., and her husband, Erman Kouns, is leasee of the Shell Oil Station on Woodside Ave.

— SCHOOL BULLETINS —

Plans Made for California Public Schools Week

Recognizing the tremendous value derived from parents visiting school the Masons, many years ago, originated California Public Schools Week. This year, as in the past, the Lakeside Schools will, in cooperation with the local Masonic Lodge and P. T. A., and other community members, observe California Public Schools Week.

An American Heritage

To be held during the week of April 27th, this year's theme is "Public Schools, an American Heritage" and a contest of posters which develops this theme will be open to students in all grades.

Parent Visitation Always Encouraged.

Parents are encouraged to visit school at any time during the

(Continued on Page 8)

Note of Thanks

We wish to extend our deep appreciation and thanks for the many kindnesses bestowed upon us during the recent loss.

Eddie Harrison & Family

ON TIME FOR ONCE

The monthly dinner meeting of the Chamber of Commerce was outstanding in two respects.

First, the meeting which is called for 7 p. m., began eating at 7 p. m. As a rule the meetings while called for 7 p. m. don't get down to eating 'til 7:45 p. m.

This time Murray evidently called for a new deal with the result that a number of couples were caught late, including the secretary, who lingered too long over nail polish. The late comers came up short on some eating items.

The second matter out of the ordinary was the fact that so many were present, table room came up short. The main discussion centered on the proposal that the Chamber take over the War Memorial Building. Those present seemed to feel that the Chamber was the only body capable of handling this controversial problem.

After a number of opinions had been voiced a move to have the building committee meet with the Chamber board of directors this coming week and iron the matter out. Speaker of the evening, Walter McAdams spoke on his book recently published.

McAfee's Grocery Closing Out

Ladies! Here is your opportunity to stock up on high grade canned goods at wholesale prices. McAffe's Grocery, located at Woodside and Riverview across from Lakeside School, will begin their Close-Out Sale today, Thursday. All stock is new as Mr. AcAfee just opened this business a short while ago. He and Mrs. AcAfee find it necessary to return to El Centro but hope to be back in Lakeside some day to live.

Trustee Race

In this issue you will note the statements of three candidates in the race for trusteeship in the Lakeside Union School district, Linley, Barkdull and Edna Kouns.

The Star will refrain from voicing any opinions until all the candidates have been heard from and the issue is clearly defined.

Once facts are clearly established we will present them to our readers letting the chips fall where they may. This is a matter of vital interest to every parent in the community and we feel that before voicing any opinion all candidates must be heard from. This done, we will endeavor to summarize the facts and present same to our readers as we see them.

The candidates whose statements appear in this issue are all of them parents, taxpayers and well known Lakesiders who have been active in working for community interests. In this race, however, there is much more than appears on the surface.

This is what we will bring to your attention when we have the facts. Meanwhile we urge you to read all the candidates statements carefully.

Our Water Situation

Another matter appearing in this issue that affects all of us is the announcement by the Lakeside Irrigation district of a raise in water rates.

This raise is long over-due and here are the reasons. First, the phenomenal number of new homes that have been built in the Irrigaiton district boundaries have brought matters to a point where a new reservoir is a must.

For reasons known only to Bankers (whose ways of thinking are something on the order of Bret Harte's heathen Chinee, that is to say very peculiar) the Irrigation district has been unable to float a loan to cover the cost of this reservoir despite the fact that they have on deposit in the local bank an operating sum equal to the cost of the needed loan. Add to this the fact that the Riverview Farm Mutual and the Lakeside Farmers district have been able to float needed loans, one from the Bank of America, the other from the local bank, yet the Lakeside Irrigation district has come up with a zero. So if we can follow the workings of a banker's mind it must mean water rates are too low.

The second reason is something we have long wondered about. The Irrigation district has one man to cover the entire district, namely, Herman Schiller. When Herman took over this job not quite a hundred years ago he had 150 meters. Today he has 586 and still doing the job alone.

Besides meter reading, new installations, repairing breaks in pipe lines and what have you. he is also the bookkeeper. Contrast this with the Riverview Farm Mutual who have three men plus a bookkeeper and only 500 meters.

Common sense should tell us that we would be a fine pickle should something happen to Herman. Another full time man is an absolute necessity but when we asked why one was not put on the answer is again as usual money.

Looking at it another way would you want to go back to grandpa's day and get your water from a well instead of just turning on the tap to save $2.50 per month?

In this heaven on earth where we now dwell water is cheap at any price.

The Memorial Building Problem

The building committee of the War Memorial Building propose to turn the Memorial over to the Chamber of Commerce and a meeting between the directors of the Chamber of Commerce and this committee is scheduled for next week.

The only comment we wish to make on this is to ask who in the Chamber is going to do all the work?

As we all know or should know the officers of the Chamber of Commerce are working people who have a living to make and work for the Chamber without pay. The president appoints committees and then worries himself into ulcers wondering if the committees are functioning. Sometimes they function.

The secretary meanwhile has a full time job answering phone calls, writing letters on matters of civic interest in addition to her regular job. What we want to know is will the members of the building committee, the civic corporation, the V. F. W., once the Chamber takes over this load, hop in and get some memberships into the Chamber and thus enable the Chamber to have some money to operate on?

To quote an old saying, "talk is cheap, it takes money to buy whiskey."

Bob Harrison Passes

Robert Thomas Harrison, 78, passed away following a recent illness at a hospital on April 9, 1953. Mr. Harrison was born July 3, 1875 in Mississippi. Rev. L. A. Marquardt officiated at the services held on Monday afternoon at Cypress View Mausoleum.

He came to California in 1906 and moved to Lakeside from San Diego in May 1920. Mr. Harrison, better known as "Bob" to his many friends, was supervisor of the Del Otero Ranch now the Paradise Chinchilla Ranch. He had many friends in Lakeside and his friendliness to both young and old will be remembered by those who knew Bob.

He was the husband of Lula M. recently deceased, father of Eddie Harrison, Lakeside, William C. Harrison, Ramona, Christine Hamlin, San Diego, Lillie Tedder, Florida, Mimie Dudley, Salisan, Okla., Mae Fair, Vista, Calif., Ruby Wiley, East Chicago, Ind.

First Aid Course Needs More Recruits

If you are interested in taking a First Aid Course to help with Civilian Defense, meet next Monday and every Monday at 7:30 p. m. in the Lakeside School. Dorothy Giesler is the instructor.

Down But Not Out

Mrs. Mable Hapstonstall has been suffering from a knee injury necessitating her keeping it propped up. Her many Lakeside friends wish her a quick and complete recovery.

Barber Likes Lakeside

Bill Elliston is well pleased with his new location for the Barber Shop which he opened recently, and will be happy to meet newcomers to his tonsorial parlor located on Maine St. near Park in the Arcade.

Water Rates Go Up

At the regular meeting of the Board of Directors of Lakeside Irrigation District held on April 7th, 1953, two significant decisions were made by the Board. For the past few years, the Board of Directors of Lakeside Irrigation District has been unwilling to favorably consider the inclusion of any additional land within the District because the San Diego County Water Authority and the Metropolitan Water District of Southern California have not been willing to include additional land. In order for land within the boundaries of Lakeside Irrigation District to be entitled to Colorado River water, the land must also be included within the boundaries of the San Diego County Water Authority and the Metropolitan Water District of Southern California. The Board's past policy was based upon its decision that the Irrigation District should not undertake the burden of delivering water to additional lands unless those lands became entitled to Colorado River water. The San Diego County Water Authority and the Metropolitan Water District of Southern California have recently indicated a willingness to annex, for a limited period of time, addiitonal land that is first included in one of their member agencies, such as Lakeside Irrigation District. These agencies indicate, however, that they will insist that all land that is to be brought into their boundaries be brought in one annexation so that there will not be a number of small annexations to those agencies.

Realizing the grave responsibility of Lakeside Irrigation District to keep pace with the growth of the Lakeside area, the Board of Directors has determined that it would favorably consider the inclusion within Lakeside Irrigation District of selected land upon two conditions: one, that the land pay an inclusion fee to the Lakeside Irrigation District of $420.00 per acre; two, that Lakeside Irrigation District would have no obligation to furnish water to the land until it had been included within the boundaries of the San Diego County Water Authority and the Metropolitan Water District of Southern California.

The specific lands thus far favorably considered are Lots 10, 11 and 12 of Lakeside Heights and a portion of Lot 66 in Tract Two of the Eucalyptus Company's Lands.

The second significant action by the Lakeside Irrigation District Board of Directors at their April meeting was the increase of the water rates. The Board had instructed the District's engineer to conduct a rate survey and study. The report presented indicated that the rates presently charged are not adequate to cover the cost of the distribuion of the water and the maintenance of the system. Starting May 1st the rates will be as follows: a monthly minimum of $2.50 for which one thousand cubic feet of water will be delivered; 7 cents per 100 cu. ft. for the next one thousand cubic feet; 20 cents per 100 cu. ft. for the next four thousand cubic feet; and 25 cents per 100 cu. ft. for all water delivered in a month over six thousand cubic feet.

Hearing On Card Rooms Set

An Ordinance regulating and licensing card rooms in the County of San Diego, California, outside of the Incorporated Cities situated in said County, providing for the registration of the owner and employees of such establishments, and fixing the penalty for violation thereof and repealing Ordinance No. 251 of the County of San Diego.

The hearing has been set for April 28, 1953, at 2:00 p. m., in the Board's Hearing Chamber, Room 310 Civic Center, San Diego, Calif.

San Diego County Civil Defense

The regular monthly meeting of Civil Defense Zone Wardens was held on Wednesday, April 15, at 7:15 p. m. at the San Diego County Civil Defense Headquarters, 3146 School Lane, Lemon Grove. Zone Wardens were invited to bring their alternates, staff members and district wardens.

Mr. Roland Robinson, Chief of the Training Service, presented the subject of atomic radiation.

A rescue truck has been delivered to the County and was available for inspection at the meeting.

Zone organizational charts were distributed.

The fire training course which began on April 16 (today) was briefly outlined.

Byron Conrad Leaves Japan on 18th

Ens. Byron W. Conrad and his wife and their two children plan to leave Japan April 18th for home. Byron has been serving with the Navy for the past year in that area .They are expected to arrive in Lakeside around the middle of May.

Earl Fankhanel Improving

A recent report from the Mercy Hospital where Earl Fankhanel is a patient gives the good news that he is improving nicely and may soon be removed to his home if his condition continues to improve.

Note From Dick Pascoe

Dick Pascoe, who is with the Air Force, is now stationed at Keesler Air Force Base. In a note to the Star he writes that he is in charge of 65 men and is known as Barracks Chief. Dick likes the Air Force, but misses his friends in Lakeside.

Lakeside Servicemen Arrive For Grandfather's Funeral

Ernie and Earl Harrison, USAF, arrived home several days before their grandfather, Robert Harrison, passed away. They were given an emergency leave. Ernie is stationed at Weaver, S. D. and Earl is still in basic training at Parks Air Force Base. They will leave for their respective bases the end of this week.

Little League Notes . . .

Lakeside's Little League is now in the process of being organized and all boys between the ages of 8 and 12 years are invited to pick up a registration card, have them signed by both parents and turn them in by April 30. Cards may be had at any of the following stores: Cecil's Sporting Goods, Huffman's Dept. Store, Barker's and Sons, Lakeside Cleaners.

There will be a paid umpire this year to eliminate any disputes.

Teams will be sponsored by the Kiwanis Club, Optimist Club, Chamber of Commerce and V. F. W. Players Agent is Frank Claycomb. Managers of teams are: Optimist, Bing Miller; Kiwanis, Al Minchow; Chamber, Stan Peterson; V. F. W., Wally Cate.

Tryouts will be held this coming Saturday, April 18 and 25 at 9 a. m. on the baseball diamond in Lindo Park.

Come on boys, pick up your cards and let's play ball.

Coming Events

THURSDAY, APRIL 16:
Delphia Society, Kiwanis Hall, 10:00 a. m.

FRIDAY, APRIL 17:
Optimist Meeting, Den back of Cecil's, 7:30 p. m.
Youth Center, Kiwanis Hall, 3:00 to 9:45 p. m.

SATURDAY, APRIL 18:
Little League Tryouts, 9:00 a. m., Baseball Field, Lindo Park.
Youth Center, Kiwanis Hall, 3:00 to 9:45 p. m.

MONDAY, APRIL 20:
Kiwani-Annes, Kiwanis Hall, 7:45 p. m.
Recreation Association, Education Center, 7:30 p. m.
First Aid Class, Lakeside School, 7:30 p .m.

TUESDAY, APRIL 21:
Circle Meetings, Community Presbyterian Church.
Vote for Bond Issue, Lakeside School.

WEDNESDAY, APRIL 22:
Kiwanis Club, Kiwanis Hall, 12:00 noon.

Alpine Report

L. TITUS — H4-2479

The following were formally admitted as communicants of the Congregational Church in an impressive ceremony the evening of Holy Thursday; Michael Kern; Manuel A. Maddox; Clarence Hamron; Hosmer McKoon; Gordon Perfect and David Perfect.

The first four are boys, who, attracted to the church by Dr. Larson's work in organizing the Pilgrim Fellowship, have fully entered into church work and have now taken this further step on the road to good citizenship. All are highly regarded by the residents of Alpine.

David and Gordon Perfect, while not yet eligible for Pilgrim Fellowship, are following the good example of the members and in due time will also assume church responsibilities.

L. K. Anderson is confined to his home with a severe cold.

The Alpine Players will meet Sunday, 7:30 p. m. at the Women's Club for the annual election of officers. There will also be a Workshop play presented, the cast of which has not yet been announced.

4-H CLUB NEWS

Alpine 4-H Club Girls attended a meeting of County 4-H Clubs at Del Mar Fair Grounds on March 21. The occasion was the exhibition of dresses, hats and art works of the members; also a contest in modeling, grooming and judging. This meeting was in preparation for the County wide Dress Review on May 24. The combined Boys and Girls 4-H clubs held a potluck supper the evening of April 3, at Community Church. After a fine supper the girls displayed some of their dress designs and needle work.

Geo. Landt is enthusiastic over his chances for winning a blue ribbon at this year's County Fair at Del Mar. He has two rabbits, born last week, whose sire is a Grand Champion, recently received from Jim Blackton, Alpine's leading rabbit raiser.

Mrs. Robt. Standen has returned from a ten day visit to her former home at Fresno, during which she visited friends and relatives.

Mrs. R. Bruce Butterworth returned this week after eleven days in New Orleans visiting relatives. She reports the weather in New Orleans bright and very warm.

Mrs. Oscar Mack is busy planning the landscaping for her new home adjoining her Melody Lane Motel on Highway 80.

The Alpine Women's Club will hold a Dessert Luncheon and Card Party on Thursday, April 11,at 6:00 p. m., to raise funds for their various activities. At the Women's Club.

The Committee on Arrangements for the Alpine Mountain Carnival, June 6 and 7, at the Youth Center Grounds, have held several meetings and report favorable progress. At Thursday evening's meeting arrows for directing traffic to the carnival grounds were prepared. A general announcement of arrangement, booths, amusements, the organizations operating booths and concessions, plans for dancing and dining will be issued late next month.

The Board of Directors, Alpine Youth Center announce a Card Party, to be held at the home of Dr. Ruth Hubbert, Saturday evening, May 2. There will be door prizes. Please bring your cards.

The St .Philomena Altar Society will meet at the home of Mrs. Mary Beach of Alpine on Monday evening.

Mr. and Mrs. Otto Reif, of Manitowoc, Wis., who have been visiting Mr .and Mrs. L. J. Koutnik, of Alpine Habit Motor Court have left for their home.

The next regular meeting of the Alpine P. T. A. will be held April 16, in the new school auditorium. The second grade mothers will be hostesses. The program has not yet been announced.

The PTA will have two booths at the Alpine Mountain Carnival, in June. One will be a Pet Stand with pets of all kinds for sale. The other booth will be a Flower Stand, with cut flowers, potted plants and garden seeds for sale .The PTA requests donations of pets and flowers, potted plants and seeds in packages, to stock these stands.

Mrs. Young, of the Women's Club Needlework Guild has received First Prize for her work, in the San Diego County Needlework Guild. In a letter from the San Diego County Branch of the Needlework Guild of America, the Alpine Club was notified they had tied for third prize in number of garments contributed, and they won third place for amount of money contributed among the sixteen club in San Diego County to the National Needlework Guild.

Seven ladies turned out on Wednesday to sew for the Guild, at the Women's Club.

Mrs. Allan Brotherton, of Tavern Road, suffered a severe heart attack the week before Easter and is still confined to her bed.

KIWANIS CLUB NEWS

At Thursday evening's dinner meeting the Guest Speaker was Mr. A. W. Anderson, of the San Diego Weather Office, who spoke on Weather Predictions and commented on the fact his office had missed in its predictions only four time during the past year.

The high attendence record established since the beginning of the year is being steadily maintained.

At the regular monthly meeting of the Board of Directors, at Kernhaven, the home of President Chas. W. Kern, routine business was transacted. Dr. Robt. Mercer gave an interesting report of the meeting of the Grossmont High School Board with the High School Committee at which the proposed school bond issue was discussed.

In the absence of L. K. Anderson, chairman of the Kiwanis Carnival Committee, a report was given by Carl Schweiss, who reported satisfactory progress on plans for the club's participation in this community.

At the regular meeting Thursday, April 9, the Guest Speaker will be Mr. Glazebrook, of Mobile Homes, Inc. His topic will cover the construction and delivery of Mobile Homes. There will be movies of the corporations activities. The membership is showing great interest in the club's action in sending eight Boy Scouts to the National Scout Jamboree ,at Corona Del Mar in July.

BOY SCOUT NEWS

The membership of Alpine Troop continues to increase, reflecting the population growth of the Alpine area.

Scoutmaster Geo. Mitchell announced an Overnight Hike for April 25 and 26.

This camp and hike will be held at Hans Kern's King Creek Ranch, weather permitting.

At the Grossmont District's Jamboree meeting held at El Cajon School on April 6, final instructions and assignments were given for the Scouts who will attend this great event. Three Special Troops were organized, with Alpine boys being assigned to Troop 14.

The Annual Inspection and Registration for Alpine Troop will be held April 14, with a representative of San Diego Area Council making the inspection. All Scouts are urged to be present ,in full uniform.

Alpine Troop is preparing to participate in the Alpine Mountain Carnival, with the boys operating two booths, under adult supervision. The Scouts are showing great enthusiasm.

Two more families have purchased acreage in the Alpine area and are preparing to build homes. However, they are not yet ready to announce their plans. With the coming of warm weather it is believed there will be renewed activity in the real estate field in Alpine.

The recurrence of the fly menace has been remarked by many Alpine residents recently. After much haggling and wrangling this nuisance was controlled last year. Must we go thru this unpleasant disturbance every year in order to maintain healthful conditions in Alpine and environs. With Judge Walters as chairman of the combined San Diego City and County Health Board we have hopes there will be early action to control conditions causing this menace. Also the Alpine Kiwanis Club, the Chamber of Commerce, the Alpine Women's Club, the newly formed Better Business Organization can all exert the necessary pressure. It would seem the best method to combat the evil would be the revival of the Zoning Plan for Alpine. While admittedly, this plan encountered opposition at its inception, further study has shown the plan has great merit and is worthy of further consideration.

During the worst of the fly invasion, due to filthy conditions on the property of a local chicken rancher, it is known fifty families left Alpine overnight. If we are to promote Alpine as a health center we Must Clean Up Alpine.

Grossmont Board Policy on School Construction Cost

Assisted by the Citizens Advisory Committee, the governing board of the Grossmont Union High School District will study ways to reduce costs of school building. The members of the committee are William De Groot, Clifford Smith, Dr. H. D. Cornell, Mrs. Nina Ray, D. M. Walker and Mrs. Helen Baxter.

The study will emphasize ways to reduce costs without detriment to the educational program which lead to excessive maintenance and without violating health and safety factors.

Functional design and honest treatment of materials will be used to obtain pleasing appearance. Extras and gingerbread will be held to a minimum.

The building program does not include bymnasium or auditorium because of the future classroom needs of the district. A cafeteria has been included because it will be used throughout the day except during lunch period for study hall purposes.

Coupon Books Against Law

A warning that the "coupon book" scheme may be operating again in San Diego County has been issued by the Better Business Bureau.

"Most people are familiar with this scheme which claims to give businesses a chance to get new customers and offers the public many dollars worth of services at practically no cost," said Beecher Dixon, general manager of the Bureau. "But both business men and the public probably are not aware of this:

"According to the opinion of the State Attorney General's office, the distribution and the use of such books is a violation of the law."

In addition to the legal aspects, Dixon suggested that business men tempted to take part in such an operation might ask themselves the question, "What would happen to my business if 100, 200 or 300 holders of 'free' coupons came to my place of business tomorrow? Would I be able to meet this demand without losing much of my regular business, and without serious financial loss?"

Dixon also pointed out that such schemes often put certain limitations on the use of the coupons, making it impossible for all holders to get the services offered.

"We urge anyone who is approached by such an offer — either business man or consumer — to contact the Better Business Bureau immediately, either by coming to our office in the Spreckels Building, or by calling F. 6521," Dixon said.

— HARBISON CANYON NEWS —

By Jo Ann Cook

Mrs. Evelyn Gordon of 372 Silverbrook Dr. would like to announce that she now has openings for students of the piano. She will welcome meeting with any parents and discussing her teaching program. Interested parties please contact her at the above address.

Mrs. Mary Vaughn journeyed to Inglewood over the Easter vacation to visit relatives. She had a wonderful time, and came back with two new pets, a pair of white mice, Mickey and Minnie. We notice she is also driving a different car.

The Ensign Lee M. Aker Auxiliary to Post 4497, V. F. W. will hold Installation of officers at the Harbison Canyon Community Hall, April 17, at 8 p. m.

Refreshments are to be served and the public will be welcomed.

The new officers to be seated are as follows: Pres., Yvonne Money; Sr. Vice President, Isa Sutterfield; Jr. Vice President, Irene Pipes; Treasurer, Violet Lea; Conductress, Zona Money; Secretary, Myrtle Jackson; Chaplain, Flo Marshall; Guard, Zoia Cobb; Patriotic Instructor, Dorothy Gaines; Musician, Pauline Schuetz. Trustees, Edna Rice, Irene Pipes, Pauline Schuetz.

Don't forget the Card Party this Saturday night held by the Community Club in the Hall. There will be door and table prizes and refreshments will also be served. Proceeds will purchase curtains for the Community Hall stage.

Mr. and Mrs. G. W. Mitchell have moved into their new home on Silverbrook Dr. They have completely redecorated and rebuilt the house formerly owned by the Hawks, and have made it a lovely home.

In a community of 25,000 population about 100 persons at one time will be under treatment for cancer, the American Cancer Society estimates.

Grossmont Students Compete for Bank Of America Awards

Three Grossmont High School students will compete in the Zone II Bank of America Achievement Award selection event, April 23. They are as follows: liberal arts, Martha Clapp; fine arts, Joan Ann Francisco; and vocational arts, Charles Campbell.

The selection event ,to be held at the San Diego Club, will be a group discussion in which judges and candidates both will participate. This is the second round of the competition. Winners go to Pomona College, May 21, for the Southern California Selection Event.

Eight or nine people compete in each section. One winner will be chosen in each general field— vocational, fine, and liberal arts, and science and mathematics.

Angling Good At Sherwood Lake

Several good catches of crappie and bluegill were made during the week at Lake Sherwood. Some bass were taken, according to the Outing Bureau of the Automobile Club of Southern California. Best results were made on surface plugs and popping bugs.

Latin Students Dine On Roast Pig

Grossmont High School Latin students dined on a whole roast pig Tuesday evening, April 14, at 6:30 in the La Mesa Youth Center. Other items on the menu served by first year students dressed as "slaves" included a Roman bread, roast beef, dried fish, diulted grape juice, and poppy seed cakes made according to a recipe from the 2nd century, B. C.

Program notes included an original melodrama in Latin, A Greek dance by Terry Campbell, a flute solo by Sue Smith, and an accordion solo by Norma Schrieder.

Committee heads were Sharon Olney, Ginger Sarlella, Lynn Mockler, Alice Duckworth, and Sue Smith. Head slave was John Culbertson.

The affair is an annual project of the Latin classes taught by Miss Miriam Anderson.

CLEVELAND HAD CANCER

President Grover Cleveland was secretly operated on for cancer of the jaw in 1893. Because such operations were rare then, it was kept secret to avoid public alarm. Today, the American Cancer Society points out, thousands of patients are cured of cancer by surgery every year.

Cancer claims the life of one American every two and one-third minutes, according to the American Cancer Society.

Soothe Itching,
FIERY PILES
Don't let sore, fiery, painful, itching simple Piles drive you nearly crazy. In 15 minutes CHINAROID starts giving you wonderful cooling, soothing, temporary relaxing relief from pain, burning and itching or money back guaranteed. Genuine CHINAROID costs only $1.00 at druggists.

"Hot flashes" of Change of Life stopped
or strikingly relieved
in 63-80%* of the cases in doctors' tests!

How Lydia Pinkham's works
It acts through a woman's sympathetic nervous system to give relief from the "hot flashes" and other functionally-caused distresses of "change of life."

• Those suffocating "heat waves" — alternating with nervous, clammy feelings — and accompanied often by restless irritability and nervousness — are well-known to women suffering the functionally-caused distress of middle life "change"!

You want relief from such suffering. And—chances are—you can get it. Thrilling relief! *Thanks to two famous Lydia Pinkham medicines!*

**In doctors' tests,* Lydia Pinkham's Compound and Tablets brought relief from such distress in *63* and *80%* (respectively) of the cases tested. *Complete or striking relief!*

Thousands Have Benefited

Amazing, you say? Not to the many thousands of women who know from experience what these Lydia Pinkham medicines can do!

Their action — actually — is very modern. They exert a scientifically *calming, soothing* effect!

Try Lydia Pinkham's on the basis of medical evidence! See if *you*, too, don't gain blessed relief from those terrible "hot flashes" and weakness so common in "change of life."

Don't put it off! Get Lydia Pinkham's Vegetable Compound or *new, improved* Tablets with added iron *(trial size only 59¢).*

Wonderful — too — for the functional pains, cramps, "dragged-out" feelings and other discomfort of monthly menstrual periods!

SUNDAY RECEPTION

Part of the very large crowd returned to the Community Center following the ground breaking ceremony for the new Presbyterian Chapel on the Hill, Sunday afternoon. An "open house" type of reception was held under the general chairmanship of Mrs. Lyle Harris. She was assisted by Mmes. G. R. Henderson, John Lyon, Thomas Marvin, William Sloan, and Mrs. Ralph Olliff. Mrs. John Schwendiman was responsible for the very lovely table decoration of parrot tulips, sweet peas and small white flowers. Presiding at the coffee urns and punch bowl were Mmes. Harlan Driscoll, John Field, Victor Bitter and Alex Gay.

BROWNIE BUSINESS

Mrs. Violet Loescher, 525 Hosmer, and co-leader of Brownie Troop 803, will be hostess to the Troop on Thursday afternoon at a wiener roast party. The Brownies have chosen their own menu which includes potato chips, relish, hot wieners and "some mores" for dessert. These latter are an utterly delectable confection of graham crackers, chocolate bars and toasted marshmallows, and are appropriately named. The three groups in the Troop were responsible for the games to be played.

The Troop's Easter party was very successful at Community Center, April 2nd, with an egg hunt and refreshments, and the egg rolling contest afterward. The Brownies had made small planters for their mothers' gift, with tiny ivy from Margo Hughes flower shop. The little girls had also made doll pin cushions from baby socks.

At the Harl J. Brown residence, 356 Park Ave., were Mrs. Brown's cousins, Mr. and Mrs. Lawrence Cooper and daughter Lora Lee, of Venice, and Mrs. Vesper Troxel, her aunt, from Redondo. The visitors spent Sunday with Mrs. Brown.

Mr. and Mrs. Lawrence Chappell, 519 Hosmer ,are welcoming their fourth daughter, born Sunday morning at Naval Hospital. The baby weighed seven pounds, 2 ounces.

The Blue Birds and Camp Fire girls were given an extension of time for their peanut sale campaign, due to the County Teachers Institute which met Monday of this week. It has been successful so far.

Another successful venture held last week-end was the Band and Orchestra Parents Club rummage sale, for scholarships at Grossmont.

VALLEY GUN CLUB

There was a very large crowd at the Valley Gun Club's Sunday shoot, with nice prizes offered in the Merchandise Shoot. Also a pot-luck lunch. Scores for TRAP were, Frank Kemper, 48 out of 50; Orville Cummings, Paul Workman, and R. L. Kencaid, each 47 out of 50. SKEET scores were, Bill More, 46 out of 50; Louis Ontiveras and Art McBride tied with 45 out of 50.

HOME FROM OVERSEAS

Warrant Officer James D. Bonds arrived in Long Beach last week on the USS Rochester, and is at home at 241 Ferdinand Road.

Also returning from sea duty is Lt. William H. Catha ,now at his home 376 Blanchard. Tuesday, April 14, marks the 8th wedding anniversary for the Catha's, and orchids flown from Hawaii have been received by Mrs. Catha. They will celebrate at the Marine Room in La Jolla Saturday night at a party for the Academy Class of '44, Submarine Group.

Mr. and Mrs. Fred L. Bowerfind, 644 Garfield, spent several days of Easter week in Los Angeles at the popular Statler. The children stopped off in Long Beach.

Successful from any angle was the El Cajon Lioness' "Cooks Delight" pot-luck supper at Casper's Saturday night. Each of the women brought her choicest concoction, and there were about 200 members and guests. The Fred L. Bowerfind's guests were Messrs. and Mmes. James K. Field, Martin McCreary, Cecil Robbins, James A. Campbell, Philip Albee, Lt. Comdr. and Mrs. C. M. Rayborn, the Turrentines and the Bertrands. Don and Joy Erickson had as guests the Ralph Shaffers and the Onyx Roaches. Others from Fletcher Hills were the Herbert Howards, the Bud Taylors, Ed and Mrs. Pascoe, the J. W. Halls, and Curley and Margaret Wolfe.

Capt. and Mrs. A. I. Flaherty of 560 Live Oak, had a delightful drive during Easter week which took them along the border from Tecate to Mexicali, into Imperial Valley where they toured the scenic places and visited with friends. Farther north into the Palm Springs area, and Riverside and Los Angeles where they visited shops before returning home.

GROSSMONT PTA

There will be a Board meeting of Grossmont PTA according to Mrs. Jack Gould, President, at 3 p. m., April 23, in the Arts building.

Mr. and Mrs. Hayden Mitchell, 368 Blanchard Kay, are enjoying a visit from his mother, Mrs. Lorraine Mitchell, of Pittsburg, Pa. She has been here two weeks, and is planning on making her future home in El Cajon vicinity, after a business trip to Pittsburg next month.

Mr. Hayden Mitchell has been elected President of the San Diego Ski Club. The Mitchells spent the week-end with a number of San Diego enthusiasts at the ski resort at Mammoth Mountain, near Bishop, where a number of diversions is to be found. There is considerable improvement going on at the resort, and it is planned to make it the Sun Valley of California. There was 108 inches of snow Sunday, and more falling.

FUN SHOW AT FANITA

Convair Riding Club members second Fun Show, held at the Josephine Scripps Fanita Ranch in Santee, Sunday, was a huge success, with 135 entries. Delicious food was served by Paul Pearson, Commissioner of the Club, Mr. and Mrs. Fred Nipper and Costello O'Neil. Josephine Scripps had the ranch decorated with banners, and every thing in order for the gymkhana. Co-chairmen Lee House and John Gleen, (of Fletcher Hills,) played dual roles, John acting as Ring Master, and Lee House as announcer. Jake Hahn presided as Judge, Kenny O'Neil and Jim Hopkins were ring crew, and Florence MacDonald, ring clerk, Mrs. Pat Glenn and Maybelle Bennett served as entry clerks. Winners were as follows:

MUSICAL HATS, Open Class, Barbara Darnell, Pat Colley, Barbara Branch, Roger House.

WESTERN HORSEMANSHIP, 12 and over, Estelle Belcher, Barbara Branch, Judy Freymiller, Barbara Darnell.

BOOT RACE, 12 and under, Marcia Campbell, Terry Pyatt, Dorothy Branch, John Nipper.

BOOT RACE, 12 and over, John Guitierre, Jessie Rivers, Barbara Darnell, Pat Colley.

TRAIL HORSE, open, Marcia Campbell, Estelle Belcher, Barbara Darnell, Gil Peyton.

BENDING RACE, open, Estelle Belcher, Roger House, Dennis Fink, Kenneth Reid.

WESTERN PLEASURE, open. Marcia Campbell, Estelle Belcher, Lola Knight, Kenneth Reid.

STAKE RACE, open, Frank Pyatt, Eddie Durant, Roger House, Estelle Belcher.

ENGLISH PLEASURE, open, Marcia Campbell, Al Vernon, John Baker, Arthur Clark.

POTATO RACE, 12 and under, Suzy Glenn (daughter of John and Pat Glenn), Barbara Darnell, Arthur Clark, Dorothy Branch.

QUARTER MILE MATCH RACE, John Guitierre, Frank Pyatt, Rudy Summers.

A special attraction of the show was staged by Roy Domengoni, Miss Scripps foreman and an excellent horseman. He was asked to do the bending race, and was timed. The novice horsemen were keen observers to this stunt, for their own future use.

Only one accident occurred when Kenny Reid was thrown from his horse in the Bending Race, but remounted and continued in a few minutes.

Josephine Scripps staged an Easter egg hunt on horseback for Convair riders Easter Sunday, with an endless supply of eggs.

Captain Strowager, formerly of the Royal Canadian Dragoons, is resuming his Wednesday night instructor's class.

Bill Branch has purchased 'Sheba" from the John Glenns for his own family. He reports his two daughters spend all their spare time grooming her.

Fishing To Start At Irvine Lake On April 29

Irvine Lake in Orange County will open for fishing April 29, according to the Outing Bureau of the Automobile Club of Southern California. Live bait will not be permitted this year. The lake will be open seven days a week for angling.

Disc Jockey Don Howard to Conduct Fair's Show Time for Talent

Don Howard the Southland's premier disc jockey whose daily broadcasts over Radio Station KSDO, San Diego, have acquainted him with thousands of teeners and under-teens, as well as adults, will be in charge of Show Time for Talent at this summer's San Diego County Fair at Del Mar, it was announced yesterday by Jack Harrington, director of special events.

Howard is no stranger to school age children in El Cajon. He receives dozens of platter requests from both grammar and high school students.

Show Time for Talent will be divided in two classes, Howard said. One division will be for children between the ages of 3 and 12; the other for those 13 through 19 years of age.

Anyone who sings, dances, acts, or plays an instrument is invited to participate.

Preliminaries will be held at the Fair followed by the championship finals at which time trophies, ribbons and other awards will be made to the winners.

Anyone interested in participating is invited to write to Don Howard, Radio Station KSDO, San Diego, for an entry blank. All entries must be received not later than June 19 to allow for proper scheduling at the Fair, Howard said.

Don Howard

Don Shields Attending U. N. Conference

Don Shields, Grossmont High School junior and ASB prexy for 1953-'54, is attending a mock session of the United Nations at the Berkeley campus of the University of California this week, April 14, 15, and 16. College students participate in the session with high school students serving as pages or as other such minor officials.

Shields received the invitation as a result of a competitive examination in which he won first at Grossmont, second in the county, and fourth in city-county school competition. The examination is sponsored by the Southern California Board for United Nations. Last year Loren Acord won at Grossmont.

Bass Fishing Good At Mead and Havasu

Many good catches of bass, some running from 5 to 8 pounds, were taken during the week at Lake Havasu. Best results were on live bait. Bass fishing was also good at Lake Mead.

Time is the most vital fact in curing cancer. The American Cancer Society warns that only early cancer is curable.

NO SECOND HONEYMOON

Every American who yearns for peace—and who of us doesn't?—has a fervent hope in his heart that the new Russian attitude of conciliation can lead to a just and honorable end to the war in Korea and the cold war everywhere.

Hoping that, we still can say: preserve us from another Russian honeymoon!

We had such a honeymoon once—right after the Communists and the Nazis ended their partnership. Immediately, the Soviets became our glorious allies. American and Russian army officers drank vodka together, American public officials sang paens of praise for Soviet "democracy," and it was solemnly declared on all side that no people on earth were more like the Americans than the Russians. Out of that honeymoon came the Yalta Agreement, the Berlin airlift and the Korean war.

Last week a delegation of American newsmen visited Moscow and were entertained royally by Russian officials. United Press' Moscow correspondent, Eddy Gilmore, reported that toasts were drunk to President Eisenhower and Soviet Prime Minister Malenkov, and to better understanding between the Soviet Union and the U. S. As the vodka flowed on and on, an American editor rose and said that he had found the Russian people more like the American people than any people he had ever seen. And every one drank to that.

Reading that dispatch, most of us here at home, we venture to say, thought: "Pul-lease! Let's not go through that again! If we can find a way to get along with the Russians, that's wonderful, but let's be realistic and unsentimental about it this time. All those vodka toasts gave us an awful hangover before.

THE GREATEST THREAT

Greatly alarmed over the distressing increase in use of narcotics in California, many officials familiar with the sickening problem have joined in support of Senator Jack Tenney's proposal to tighten up penalties for dope peddlers and pushers.

The evidence in support of Senator Tenney's measure is considerable.

Federal Narcotics Commissioner Harry Anslinger states that "one of the principal reasons that narcotics trafficking and addiction flourishes . . . is because peddlers are lightly dealt with by the courts. In districts where they get heavy sentences, you do not find much trafficking . . ."

George E. Dunn, publisher of the Half Moon Bay Review, in supporting stiffer penalties for dope addicts and peddlers states that in California "the majority of those convicted get off with sentences averaging three years in prison and a fine.Some Superior Court Judges have given sentences as light as nine months in a county jail." A legislative committee reports that of 1029 narcotic defendants in Los Angeles in 1950, only 86 were even given prison sentences.

It is this evidence that makes it appear likely Senator Tenney's bill for more stringent penalties will be enacted.

The matter is not entirely a legislative problem, however. Simply passing a law never solved any problem. With California rapidly becoming the "drug center of the United States," organizations like the PTA, the League of Women Voters and others concerned with child welfare should double and redouble their efforts to help stamp out this menace—for there is little question but that it is the greatest threat in California to child welfare. The womens' organizations could undertake no finer project than one of cooperation with law enforcement officials in combatting the dope menace and of community leadership in focusing attention on it.

WASHINGTON WINDOW

THE VOTE LAST NOVEMBER

Almost every day someone gets up in Congress to announce that last November the voters of America gave a mandate for this or for that.

The official election statistics, just released by the Clerk of the House of Representatives, provide an impartial view of this statement. The figures show what the voters actually voted for last November.

Without question they voted for President Eisenhower. He won over Adlia Stevenson in something approaching a landslide. The official vote:

Eisenhower — 33,824,351.

Stevenson — 27,314,987.

The popular vote for the Republican Party in Congress, however, lagged far behind President Eisenhower's vote. Here is the official vote for the U. S. House of Representatives:

Republican — 28,543,334.

Democratic — 28,178,682.

If you count the votes for Alaska Hawaii and Puerto Rico, the House score is even closer:

Republican — 28,707,763.

Democratic — 28,677,642.

In New York the Liberal Party supported Stevenson. At the same time it endorsed 29 Democratic and one Republican candidates for the House. Adding the Liberal Party votes they received, the Democrats had 162,303 more ballots nationally than the Republicans.

On the other hand, if you exclude ballots of the territories but include the Liberal Party votes, Republican House candidates received 171,128 more votes than the Democratic candidates.

On the basis of official party statistics no party received an absolute majority of the votes for the House seats. The Republicans needed over one-half million more votes to gain a clear majority.

The Republicans captured a majority of the House seats. Yet, they were elected by a minority of the American voters.

A study of the official statistics provides some striking examples of how strong the American people voted for President Eisenhower.

Eight states in the South and Southwest voted for him but sent overwhelmingly Democratic Congressional candidates to Washington. The eight states: Arizona, Florida, Missouri, New Mexico, Oklahoma, Tennessee, Texas, and Virginia.

In Texas, over one million voters cast their ballots for Eisenhower. Yet, only 22,108 voted for the Republican candidates for the House.

THE AMERICAN WAY

Get Together, Boys!

CAPITOL AND COUNTY News Letter

by RALPH R. CLOYED
ASSEMBLYMAN

Most significant is the disposition of legislators as the session grinds on; and hours of work become longer; the weather gets warmer; and some of the members begin to show their tempers, which flare at the least provocation, as the bills become more controversial; and much of the courtesy disappears. These things were in evidence in committees and on the floor as major issues were debated this week; such as, the Senate's version of a mainline highway bill which passed the Senate and moved to the House.

The Assembly banned secret meetings of local governing bodies.

A Senate committee voted to curb adult education.

A bill prohibiting the B girl racket in bars was approved by the Assembly.

The forming of service areas in unincorporated districts won Assembly committee approval.

Since I mentioned in my letter several weeks ago that one of the big issues this session would be the developing of a highway program that would be agreeable to both Houses, the Senate has approved a bill with approximately 5000 miles of mainline highway that would be given priority on new revenue.

Speaker Silliman referred to the bill as a political hodgepodge. Senator Regan, author of the bill, was quick to deny the charge and stated that the routes were established by the State Division of Highways. Silliman offered to withdraw his remarks if Regan would deny that his bill contained more mileage than originally proposed by the Division of Highways. Regan did not reply.

It strictly isn't the system the Assembly will go for.

Many are concerned with a threat of a deadlock between the two Houses. There is real danger of this now, and the whole program would be stalled for another two years.

There are bills being introduced on the Assembly side, one by Assemblyman Lincoln of Alameda, which Senator Regan calls strictly a big city bill.

Assemblyman Lindsay is developing another highway bill which he terms a compromise bill.

A bill banning closed meetings of local governing bodies, such as city councils and boards of supervisors, was passed by the Assembly by a 63-0 vote and sent to the Senate. The measure would require 24 hour's notice to newspapers of meetings but would allow closed sessions for consideration for hiring or firing of employees.

By accident or design, a lot of public protest against state legislation to take adult education "frills" out of California's school spending seems to reflect misunderstanding of the purpose of the bill that has passed the Senate Education Committee and been sent to the Senate Finance Committee.

A lot of well-meaning people have cited worthy projects which receive state aid and have complained it would be wrong to abandon them. So it would be if that were the intent of the legislation.

The bill does not exclude people under 21 years of age as many believe it would, however, it limits the ADA (average daily attendance) money to the basic $120 for people over 21 years of age. Those under 21 would receive full support as would adults who were taking full courses.

Opponents of the bill object to the limiting of the adult class's allotment to the basic $120 pupil in ADA. This, they said, would rob funds from high school districts and that the control of the program should be left with the State Board of Education.

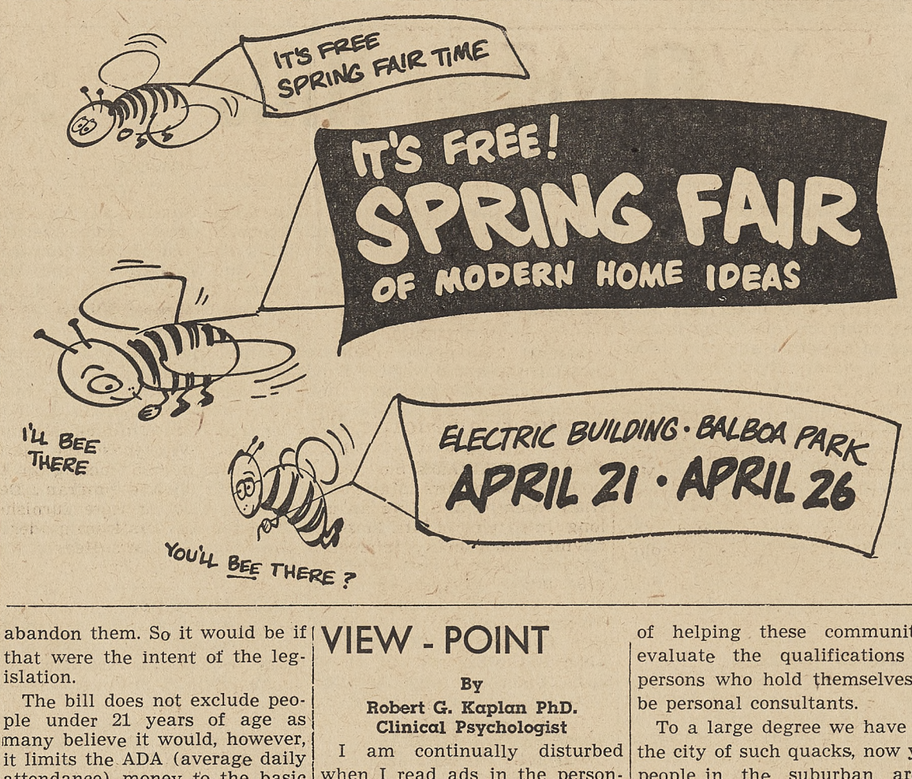

The vote was called for and passed by an 8 to 2 vote, thus ending a stormy session which ran until past midnight. The hearing room was packed with approximately 450 people, many standing.

An Assembly committee has sent to the Assembly floor a bill with a "Do Pass" recommendation aimed at elimination of the B girl rackets in cocktail lounges. It would make it unlawful for a liquor licensee knowingly to permit girls to solicit or beg drinks and would make the solicitor guilty of a misdemeanor.

Legislation that would make higher taxes for residents of unincorporated areas fringing cities has been endorsed by an Assembly committee.

The bill had the backing of the League of California Cities as well as the supervisors as a compromise.

Specifically enumerated services are police and fire protection, parks, and recreation and parking facilities.

VIEW - POINT

By
Robert G. Kaplan PhD.
Clinical Psychologist

I am continually disturbed when I read ads in the personnel columns of newspaper to this effect, "Help and advice with all your personnel problems - Madame So and So.' Some of these appear in some of the very papers in which my column appears. I should like to urge editors not to accept such advertising as it is grossly prejudicial to public welfare.

These fakes, quacks, and charlatins more often than not extremely disturbed persons themselves. They prey upon human misery and unhappiness. They are a snare for persons with problems. They have no training at all, or at least no training from reputable colleges and universities. The amount of damage they can do to persons with problems is immeasurable. The number of suicides they are directly responsible for cannot be estimated.

If they were consulted by persons just as a pleasant past time it would not be so bad but persons with real problems requiring competent professional help go to these persons and are fleeced of their money and their problems are not solved.

A group of civic minded citizens became alarmed over this problem in San Diego a couple of years ago and passed a local ordinance which set up standards which disqualified these quacks. Consequently many of them left the area entirely, (good riddance) while others merely moved into areas outside the city limits where they ply their evil harmful calling.

It would be a simple task just as a matter of public welfare for suburbs to pass an ordinance similar to the one in San Diego. Ethical professional people would willingly accept the task of helping these communities evaluate the qualifications of persons who hold themselves to be personal consultants.

To a large degree we have rid the city of such quacks, now you people in the suburban areas look around your neighborhood, enlist the aid of your local editors and city council to exclude these undersirables from your town. You'll be helping your neighbors and your community.

Question: Dr. Kaplan, a local personal consultant showed me a diploma from an institution I never heard of indicating that she was a Doctor of Psychology. Is there such a degree?

Answer: No, a psychologist if he is of doctorate level holds a PhD. degree from a recognized college or university, there is no such degree as Doctor of Psychology these degrees can be purchased after reading a book or two from a few fly-by-night extension schools around the country, they represent no training and less experience.

Dr. Kaplan will write on any question or problem relating to child behavior or family relationships. Write to him in care of this paper. If the inquiry is of a personal nature enclose a stamped addressed envelope.

HISTORIC OPERATION

The first cancer operation for removal of a lung occurred 20 years ago. The patient is alive and well today, the American Cancer Society says. But in that same period deaths from cancer of the lung have increased fivefold.

FEMALE CANCER RATE DROPS

The cancer mortality rate in women is slowly dropping, the American Cancer Society says. But male cancer death rates continue to climb. The best safeguard against cancer is frequent medical examinations, the ACS advises.

NOW POPULAR SUBJECT

The first magazine article for the public was published in 1913, shortly after the American Cancer Society was founded. Now, the ACS says, scores of articles are published annually about the disease that killed more than 220,000 Americans last year.

WOMEN

SOCIETY - CLUBS

Woman's Club to Hold Annual Flower Show

Another Flower Show sponsored by the Woman's Club of Lakeside will be held April 30th in the Memorial Building, both afternoon and evening. The show is being planned under the able chairmaship of Mrs. George Miller with Mrs. Hugh Sypolt assisting her.

CLASS A—Roses: 1 Red- Yellow - Pink - White - Multi-color; 3 Red - Yellow - Pink - White - Multi-color.

Arrangements of Roses, any color or combination of colors.

CLASS B—Bulbs, 3 Stems.

CLASS C—Shrubs, 3 Stems.

CLASS D — Bearded Iris, 3 Stems.

CLASS E—Perrenials, 6 Stems.

CLASS F — Annuals Miscellaneous, 12 Stems.

CLASS G—Pansies, Bowl or Dish.

CLASS H—Sweet Peas, Bowl.

CLASS I — Sweet Peas, 12 Stems.

CLASS J—Table Arrangement, including container and combination of flowers.

CLASS K—Miniature arrangement, not more than 4 inches over all. Mrs. George Miller, Chairman.

Coffee, tea and sandwiches will be on sale beginning at 12 noon, with Mrs. Elmer Macy, chairman.

There will also be a variety of articles such as knick-knacks of all kinds. Mrs. Hale Whitaker will act as chairman. This is called "Little money table." If you have anything to contribute, please phone Mrs. Whitaker or Mrs. Biggs.

Home made candies will be sold with Mesdames Chas. Brown and Wm. Wolin as chairmen.

Many door prizes will be offered.

A Hobby Show with many collector's items will be on display with Mrs. Florence Beadle as chairman.

All entries must be in clear glass containers unless stated otherwise.

CLASS L—Potted Plants of any description.

Alice Gibson Circle Meets Tues.

Members and friends of the Alice Gibson Circle will meet in the home of Mrs. Rush Oppenheimer, who lives ¼ mile east on Highway 80 next Tuesday, April 21, at 12 noon. Bring your own table service and a hot dish or salad for the potluck. Dessert and coffee will be furnished by Mesdames Farmer and Wilson. Be prepared to sew, bring scissors, needle and thread. Also a white elephant for the gift table.

Visiting With Relatives in Oklahoma

Mrs. Eldred Huffman has been visiting her sister in Oklahoma. The two ladies left by motor for Pueblo, Colo., where they will visit other relatives. Eldred plans to be home in three weeks.

Barkers Now In Texas

From post cards received, Otis and Genevieve Barker are visiting B. J. Conrad's sister and family at Kerrville, Texas. The next stop will be at Lexington, Texas where they will enjoy a visit with their daughter-in-law's parents.

Kiwani-Annes Meet Mon. To Hear Vivian Boyd In Musical

Members and friends will gather on Monday evening, April 20 to enjoy a evening of music which will be given by our local musician, Mrs. Vivian Boyd. If you have heard Mrs. Boyd on either the organ or piano, you will want to be present Monday evening to again listen to her as she entertains. The time is 8 p. m. in the Kiwanis Hall.

Goes Through Surgery

Move Into Former Marshall Home

Mr. and Mrs. Fred Manning and their three boys, ages 13, 12 and 8 have moved into the former home of Mr. and Mrs. P. D. Marshall. They are formerly of Joliet, Illinois.

Visitor From Morris, Ills.

Mrs. Constance Ward Colman from Morris, Illinois has been a house guest of Mrs. Marie Marshall recently. Mrs. Colman is a long time friend of Mrs. Marshall having taken many interesting trips in by-gone days with the Marshalls. She is the sister of Dr. Frank Ward of San Diego where she has also been visiting. Mrs. Colman leaves to join her sister in Los Angeles before leaving for her home in Morris.

Missionary Circle Met On Tuesday

A pleasant day was spent in the home of Mrs. Albert Mead on Tuesday when a number of ladies gathered for the Missionary meeting. A sack lunch with coffee served by Mrs. Mead and a chocolate cake brought by Mrs. J. Wilson, was enjoyed during the noon hour. The ladies cut out quilt blocks which they plan to make into quilts later.

Trip To San Francisco Fascinating

A week end trip spent in Berkeley and San Francisco proved very enjoyable to the three Dunham daughters, Mary, Jerry Ruth and Martha Lee and also to the driver Don Wyman who took the girls up to visit with their sister Sammie who is a student at Berkeley. Side trips to the popular zoo n S. F. also to Chinatown were thrilling. Jerry Ruth ate hot cakes in Chinatown which didn't please her too much because of the fact that they served cold syrup on the cakes, Jerry is used to hot syrup at home. They also visited Rev. Dick Wichman and his family and enjoyed exploring through the Settlement House of which Rev. Wichman and his wife Lois are working with the Chinese young people. They also attended Sunday church services which was an interesting experience.

The girls stayed at the Dormitory where their sister Sammie lives. The group returned to Lakeside on Monday, tired but happy after their week end venture.

Trip To L. A.

Mrs. Della Harper is spending several days in Los Angeles where she is visiting her son and will also have a check up by her physician.

More than 600 Americans die of cancer each day, American Cancer Society statistics show.

The Christian Science transcribed program series, "The Healing Ministry of Christian Science," is being broadcast over Station KSDO (1510 KC) every Sunday at 7 p. m. This is in addition to the program being released over Station KFI, Los Angeles every Sunday morning at 9:15.

Breaking our Fetters

The fetters of our captivity are false and ready to be broken. Whatever our need, the way to turn to God — the way of *answered prayer* — is now made plain.

SCIENCE and HEALTH
with Key to the Scriptures
by Mary Baker Eddy

is proving to be the "key" that opens wide the truth of the Bible with vast and vital healing power.

This book, together with the Bible, may be read or obtained at

CHRISTIAN SCIENCE READING ROOM

211 Maine St.

Lakeside

Open 1 - 4 p. m.

Tues. - Thurs.

Please Take Action

An OSCAR Lakeside Varieties, was presented to Herb Ibarra and his supporting cast of teachers by the Lakeside Parent Teachers Association for their very successful venture behind the footlights entitled "Tom Sawyer' Lakeside Version." We believe that the teachers program theme — Teachers are salesmen too—really sold themselves. Everyone was convinced that they had been hiding a very bright light under a bushel basket. The play followed the April business meeting which began with a potluck dinner. Approximately 140 attended the dinner with another 35 coming in for the meeting and program. Dessert and coffee were furnished by room mothers from grades of Miss Giddings, Mrs. Hedger, Mrs. Gideon, Mrs. Long and Mrs. Whitely.

Action by the group included approval of the Executive Board's recommendation for Lakeside P. T. A. to sponsor a local Cub Scout Pack.

Members wishing to attend the Ninth District Meeting at the Sherman School April 20, should plan to meet at our Education Center, Woodside and Prospect at 9 a. m.

Everyone is urged to attend the Citizens Committee Meeting to be held on April 27 at 7:30 in the Education Center, concerning school affairs and the question of renewing the tax levy now in effect.

Make your reservations now for the Annual PTA Dinner Dance, May 23rd which will stress Southern hospitality Ala—Lakeside. Buffet on the Bayou will be served 7 to 9 p. m. at the Magnolia Manor (Lakeside School) on the Woodside Plantation.

Ed note: Are mint juleps to be served?

Move To Pomona

Mr. and Mrs. Fred Fuller have sold their home on West Julian Ave. and have moved to Pomona where Mr. Fuller will be associated with the Guided Missile Plant in that area. Chris Lorenzson is the new owner of the Fuller property.

Atonement, Christian Science Topic

The practical healing import of Jesus' atonement will be explained and illustrated in the Sunday Lesson-Sermon "Doctrine of Atonement" in all Chrisuian Science churches.

The Golden Text from I John (1:3) reads, "That which we have seen and heard declare we unto you, that ye also may have fellowship with us: and truly our fellowship is with the Father, and with his Son Jesus Christ."

The Apostle Paul declares (Hebrews 4:15, 5:9), "For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin . . . And being made perfect, he became the author of eternal salvation unto all them that obey him."

A correlative passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy says, "We acknowledge Jesus' atonement as the evidence of divine, efficacious Love, unfolding man's unity with God through Christ Jesus the Wayshower; and we acknowledge that man is saved through Christ, through Truth, Life, and Love as demonstrated by the Galilean Prophet in healing the sick and overcoming sin and death" (p. 497).

Lakeside Nursery School Now Open

The Nursery School which is held at the Community Church has completed its first week successfully. The directors wish to emphasize that this is a Community enterprise and that all children between the ages of 2½ and 5½ years are welcome, no matter what their church affiliations are.

It has been decided to make a reduction in rates when there is more than one child in attendance from one family. One child of each family shall pay the full fee, and any other children of that family will be charged half of the usual fee for their attendance.

Anyone who is interested is invited to visit the school because that is the best way to discover that this school compares favorably in equipment, space, and personnel with other nursery schools.

Information may be obtained by calling H4-6206 or H4-1322.

FRONTIER HOOFBEATS . . .

By Mariam Conroy

Rid'in em Out:—

What trail blazers these Frontier gals are Did ya hear 'bout them two what rode out last Sunday from ten in the morn'n till most dark? Wal, it was Babs Miller n' Frontier Drill Coach Val Robbins blaz'n away thru Dehesa Valley, Rancho Margarita. Cours they stop to visit long the way an git refreshed at the Croizer's Rancho. What we really heerd wuz (on the Q. T.) they got themselves lost in a Canyon n' had to blaze anew way out. "Git Lost" again gals — more new trails, more rid'n.

Speaking o' rid'n — 'member Sunday, April 19 for that fine ride from Frontier Riders ring into them thar hills with yore sack. (lunch) swing'n on the saddle. But let's Eat first — Chuck House Breakfast at nine, heap 'n stack o' hot cakes — an you know what else — Let's All dine together this Sunday morn at nine, come down from the hills (Eucalyptus) and out from town (all Lakesiders.)

MORE COM'N EVENTS

Rummage, Rummage, whose got sompin for Frontiersmen to sell? Jest call H4-1258 or H4-1378 or H4-7605 an they'll come arunnin. The big days are April 25, Saturday on Main St. El Cajon next to Benuogh's and May 1-2 on Maine St., Lakeside, next to Feed Store. Be sure to come, take a look anyhow, you will be surprized what we will have to sell this year an CHEAP at half the price!

Wot Goes On . . .

By Millie

These are the days to remember. The weather is beautiful, the air is fresh with flower scent and spring essence, both brought on by early warmth. Every chance I get I'm out digging in the good earth, planting flowers and seeds of all kinds. Each day I do a little watering and now some of the seeds have begun to sprout. Isn't it fun to watch them pop out of the ground. The snails have also been on the prowl, so this new type of snail bait called pellets is wonderful and easy to throw around. They do the job too as my garden is full of dead ones.

The swallows have arrived and are busily building their little mud houses under the eaves of our garage. There must be at least ten pairs, and to watch them swoop down with tiny balls of mud to make their nests is fascinating. Soon the young will arrive and the chirps and noise will really be something, but they are fly catchers, so to us that means a lot as goodness knows there are too many around these parts.

Tomorrow I'm going to set out some tomato plants, yellow cucumbers and peppers, maybe a few beans too. We all know that you can buy them just as cheap in the stores, but it's so much to have a garden and to be able to go out and pick your vegetables and flowers when they are at their prime.

The young boys around Lakeside will have the opportunity to play ball under the guidance of adults who are interested in teaching the boys to play, also to give them some clean constructive work to do. If you have a boy between the ages of 8 and 12, see that he picks up a card at the stores mentioned on the front page of this paper, sign it and return to the store by April 30th. Tryouts will begin this Saturday at the Lindo Park ball field. My own 9 year old tried his best to make a team last year, but failed to do so, however, he hasn't become discouraged as he's been out practicing and hopes to make it this time.

A softball team is to be organized shortly, in fact there will be a meeting April 20 at the Education Center for those of you who might be interested.

Yep — another Flower Show is coming up sponsored by the gals from the Woman's Club and you'll want to enter some of your beautiful posies in this show and who knows mebbe you'll win a ribbon or two. So read all about it in this issue and plan to enter some of those special flowers. There will be other attractions also and we know everyone of you will want to come out to this annual Flower Show.

The Chamber of Commerce are having some very interesting meetings and would like more of you to come out and participate in them. Good dinners are served by Mrs. Muse and the meetings are always filled with interesting discussions on your Community. The Chamber will spearhead the coming 49er Days and we know it will be good, so watch your Star for further information.

THREE BEDROOM STUCCO WITH ELBOW ROOM PLUS
This home will give you all the advantages of fine country living. The bedrooms are very large with beautiful oak floors throughout. The lot is 77x332 with front yard landscaped. There is an extra large two car garage with additional storage room in rear, plus a car port conveniently located in front of garage. All for $10,500 with only $2,500 Down.

THREE BEDROOM STUCCO G. I. RESALE
Should you be looking for quality material, workmanship, room layout and general livability, this one year old home with attached garage can well be yours. It is situated on a 70x145 corner lot in a good residenial district, on a paved street, has curbs and is but two blocks to parochial and public school. The three bedrooms are twin-sized, the living room is roomy and the 9x18 kitchen is filled with cabinets. All doors and windows are wood trimmed and the floors are narrow gauge oak. The owners have been transferred, and must sell at once. It can be yours for $12,500 with only $2,500 down, balance at $67 a month includes taxes and interest at only 4%.

TWO BEDROOM STUCCO G. I. RESALE
We are proud, indeed, in offering you this home. It has two twin-sized bedrooms, large living room with a separate dining room. The larger than usual kitchen will delight the little lady. Venetian blinds included in all rooms. The floors are beautiful clear oak. The lot is 60x125, fenced and landscaped. Concrete side drive to oversize garage. This home is but four blocks to Magnolia and Main Street. It is yours for only $10,750 with a reasonable down payment, balance at $60 a month includes taxes and interest at only 4%. Truly a wonderful buy. During January we advertised an identical home, at the same price and sold it on the same day. Better hurry.

THREE BEDROOM VIEW HOME
This charming view home, nestled high atop a knoll, overlooking the valley, is among homes worth up to $30,000. The large studio living room, with its exposed beams, has large picture windows and attractive corner fireplace. The three bedrooms are spacious and the bath is completely tiled. The lot is beautifully landscaped, sprinklered and fenced. Should the safety of your children be your problem, here is a haven for them. This select home can be yours for $16,900 and with only $3,000 down.

AVOCADO GROVE
This five acre, plus, ranch conveniently located within four miles to center of El Cajon offers unlimited opportunity. You will be amazed by the amount of avocados dangling from the 225 Fuerte trees, which occupy two and a half acres. The yield over the past five years averaged more than $3600 per year. There is also a family orchard consisting of 15 assorted fruit trees and grape vines. A fenced level two acre pasture fronts the highway. The large three bedroom home is ideally located an affords a panoramic view, of the beautiful surrounding hills, from every room. There is no water problem here because all the property is within the irrigation district. It is priced to sell at $37,500. Reasonable down.

Loren Acord In Speech Contest

Grossmont High School senior ,Loren Acord, will compete in the California State Championship speech contest at Bakersfield in May. The contest is sponsored by the National Forensinc League, and the winners will take part in national competition. Acord will be entered in the extemporaneous speaking division.

Loren Acord placed first in a recent San Diego State College contest in the extemp division. On April 8, he won a second place in a contest sponsored by the Native Sons of the Golden West. He has been a frequent winner in speech activities and debate for the last three years at Grossmont. His present coach is Lee Roloff.

High School Credits May Be Earned By Summer School

High school credits may be earned by 8th grade graduates at the several courses offered in Grossmont High School's summer school session, announces John S. Cornelius, director. School courses are to act as preparatory or refresher courses for regular high school subjects, to permit electives which might otherwise be impossible to include in a program, to make worthwhile use of vacation time, and to avoid an overloaded schedule during the regular school year.

Summer school will run for seven weeks, June 22 to August 7, inclusive. Classes will be held Monday through Friday. First period classes run from 8:00 a. m to 10:00 a. m. Second period classes are from 10:00 a. m. to 12:00 noon.

Students may enroll for either one or two subjects unless taking woodshop or homemaking, which run from 8:00 a. m. to noon. There is no tuition fee or other charge for summer school. Applications must be approved by a parent or guardian. Absence from school must be made up in special classes.

Classes open to eighth grade graduates include the following:

Homemaking I.
Beginning typing.
General mathematics.
Introduction to business training.
Woodshop.
Music: strings, brass, woodwinds, fundamentals of music.
Art workshop.
Reading.

Jobless Pay Fraud Costs Tax Payers 20 Million Per Year

Charges by a former Treasury agent that chiseling on the state unemployment insurance fund has been costing the taxpayers at least $20,000,000 a year have been borne out in testimony before an Assembly investigating committee.

The final witness at the conclusion of the hearings Saturday was James G. Bryant, director of the state Department of Employment, and as he was about to leave the stand Committee Chairman Gordon Felury asked:

"Do you agree that the figures of the committee's statistician were fair, and that the estimate of losses to the fund could be high as $22,600,000?"

"I do," Bryant replied.

Bryant and Governor Earl Warren at first denied the loss would run higher than $326,000 a year, and they described as "fantastically distorted" the estimate of $20,000,000 made last January by William A. Burkett, former T-man and now a vice-president of the Inter-Association Unemployment Insurance Committee, a non-profit group of employers.

"Now, Mr. Bryant has admitted that the figure which he and the governor called fantastic is true, by the very data and statistics from his (Bryant's) own department," Fleury told newsmen.

The $22,600,000 estimate was arrived at by Dr. Norman Rudy, professor of statistics at Sacramento State College, retained by the Assembly committee to analyze samplings of fraudulent and improper benefit payments furnished by investigators for the employment department.

These included 100 cases picked at random from current claims in various parts of the state. Of the 100 cases, James O. Reimel, chief of the fraud section of the department of employment, found 17 per cent were claims paid either to willful violators or to claimants not entitled to benefits for other reasons.

In addition to the 100 cases presented by Reimel and his staff, the Assembly committee's own investigator, former FBI-agent T. L. Billings ,offered in evidence 18 claims which he had studied in the last two weeks.

Of the 18, one was found to be an outright case of fraud on the part of the claimant, and 11 others were adjudged improper. Billings' check was made in San Diego, Oceanside and Santa Monica offices of the department of employment.

He testified that he found drunks, liars, loafers and "just plain cheats" living off unemployment benefits, and that the attitude of many of these was:

"I'm only getting back what I paid in."

It was brought out repeatedly during the legislative probe that employes do not pay anything into the unemployment insurance fund, but that the entire tax is paid by the employer.

Officials of the department of employment admitted under oath that carelessness and inefficiency on the part of the local office personnel are rampant, particularly in the smaller offices. They named specifically Merced, where, according to Albert B. Tieburg, chief of the department's claims review section, claimants were given benefits even after giving disqualifying improper answers to questions of claims interviewers.

This prompted Assemblyman Haorld K. Levering of Los Angeles, a member of the committee, to remark:

"In other words, local claims examiners just start handing out money without even bothering to determine if the claimants are sick, drunk, lazy or happen to be working at the time of making claims."

To which Tieburg replied:

"That would appear to be the case."

Final Concert to Be Held Saturday By S. D. Music Ass'n.

San Diego Civic Music Association announces that Dorothy Warenskjold will be heard at the Russ Auditorium on Saturday, April 18, at 8:30 p. m. in the final concert of the season.

Miss Warenskjold is one of the newest and loveliest young soprano stars on the musical horizon. She's a native Californian and received all her education, both scholastic and musical, here in California. Today her singing artistry has been enjoyed by audiences in every state across the country, and she has won millions of admirers with her appearances in opera, concert, radio and television. Radio listeners will remember her on the Railroad Hour and the Standard Hour, and she's also featured with James Melton on his television program "The Ford Festival."

Cost of Accidents For 1952 Reaches $343 Million

Traffic accidents are costing Californians almost a million dollars a day, the California Highway Patrol reported today.

The sum is figured by multiplying $95,000, the estimated cost represented by one traffic fatality, by 10, the average daily traffic death toll in the state.

The sum also includes losses incurred in injury and property damage accidents such as loss of wages; medical and hospital expenses; auto repair and other property damage bills; and overhead insurance costs. Payment of insurance claims is included in wage loss.

The Patrol said the state's traffic accident bill for 1952, with a provisional death toll of 3618, was $343,710,000.,

Officials pointed out that last year's multi-million dollar burden was being shared by others than those directly involved in accidents, especially through higher insurance rates.

As an example of what the $343 million would have bought if used for constructive purposes, the Patrol said it would have paid for a multi-lane divided highway, excluding bridges and other major engineering structures, from Oregon to Mexico and from the Pacific Ocean to California's eastern border.

Several Liquor Dealers Loose License

The promised crackdown on wholesale and retail liquor dealers has resulted in 127 suspensions of liquor licenses in Los Angeles County, with a threat of more to come, according to announcement today by Wm. G. Bonelli, Chairman of the State Board of Equalization. This represents the largest number of suspensions of liquor licenses since the repeal of prohibition, when licensing of alcoholic beverages in California was put under the jurisdiction of the Board.

Eighty-nine licensees, Mr. Bonelli said, drew suspensions varying from five to thirty days, and included in this group, charged with violation of Fair Trade practices, were some of the biggest wholesalers in the business, such as Calverts, Milford, Sterling, Don Snyder, and Ballyntine.

"The big ones and the small ones will suffer alike" said Bonelli, whenever they are found guilty of violating the law. Every time we detect a licensee violating the law, no matter how large or how small his business may be, there will be a suspension of his permit to do business."

There were eight suspensions of licenses for sales to minors and other convictions resulted from after hours sales and sales to obviously intoxicated persons. Thirty suspensions have been ordered by the Board and will become effective April 20. These suspensions vary from a set number of days, as high as fifteen, to indefinite suspensions.

Even the drugstore in the building at Hill and Fourth St., directly beneath Bonelli's office, and where the liquor officers and other employees are accustomed to eat their lunch, displayed a big sign reading, "Notice of Suspensions" for five days. The drugstore finished its suspension Thursday night.

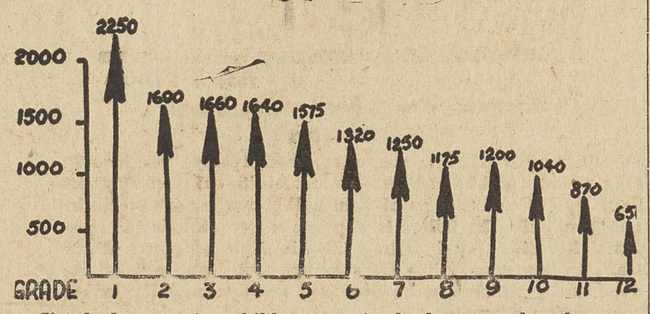

NO "PILLS" CURE CANCER

The American Cancer Society urges patients to seek competent medical help in treating cancer. It points out that no cancer ever cured itself and none was ever cured by pills, powders, or any other "home remedy" or "secret method, medicine or gadget."

ENROLLMENT by GRADES

GROSSMONT UNION HIGH SCHOOL DISTRICT

1952-1953

Simply by counting children now in the lower grades, the enrollment in the high school will double by 1960. The grade 8 enrollment is nearly double that of grade 12. In turn, grade 1 enrollment is nearly double that in grade 8. Census figures show that there are more children of pre-school age than are enrolled in grades 1 through 8. The critical need for classrooms right now will become more and more crucial in the next few years. Action must be taken now to prevent a breakdown of education in our area.

HIGH SCHOOL A COMMUNITY ASSET

Planning for the new high school in El Cajon Valley will include provisions for its use as a center of community life, stated Grossmont Trustee Rexford L. Hall today.

While the school facilities are primarily designed for the educational program for high school age youth, the school serves best when it functions as a center of community life.

Adult uses will include large group or community dinner meetings ,use of rooms in the evening by civic groups and for adult education.

The convenient location of the school on Madison Street between First and Mollison will make it readily accessible to all parts of El Cajon Valley.

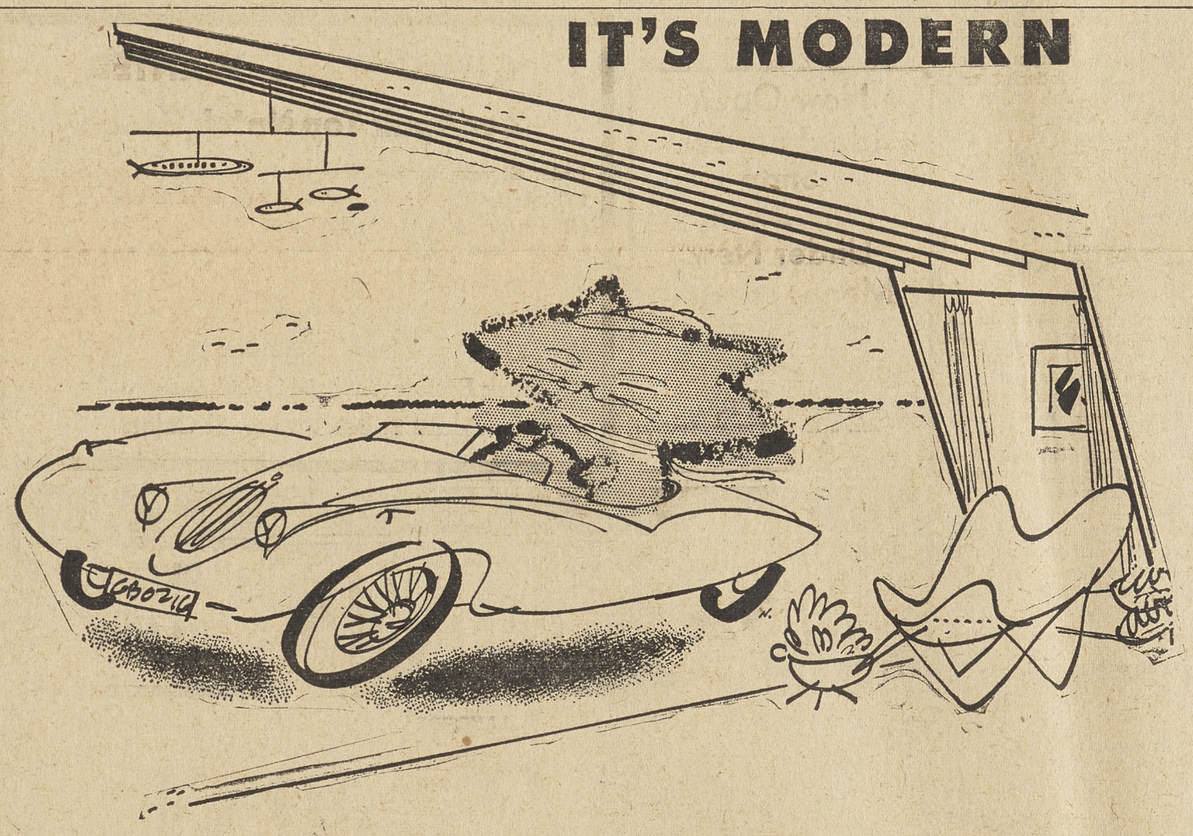

The participation of youth in after-school activities will be greatly increased because many will live within walking distance of the new school.

The location of the school will reduce the transportation costs which now siphon many dollars away from educational uses.

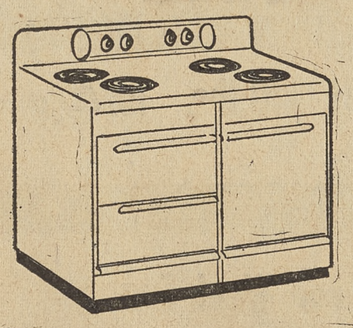

The physical education facilities will be available for a year-round recreational program. Tennis courts, volleyball, basketball, softball, baseball, track and football facilities will help to provide for constructive use of out of school time. Youth and adult groups interested in music, drama, speech, and social activities will have opportunities which have been limited.

Grossmont High School will continue to serve the central portion of the high school district including the western portion of El Cajon, Grossmont, Mt. Helix, Fletcher Hills, Severin Manor, Lake Murray Manor and eastern La Mesa.

IT'S MODERN

JUST ONE OF 9 REASONS TO CHANGE TO A NEW ELECTRIC RANGE

Electricity is the most modern fuel for cooking – and the beautiful new electric ranges are the most modern way to cook.

They're modern looking – modern in design – modern in operation. And eight other performance features back up their claim to being the last word for cooking.

1. They're cool. 2. They're clean. 3. Speedy. 4. Automatic. 5. Dependable.

And because you use less water in electrical cooking – 6. Your meals taste better. 7. Your foods are more healthful. And 8, you save money because you have less waste.

Now – go modern – make the change to a new electric range. Many makes, many models at your dealer's – all on easy terms.

Reddy Kilowatt, *your electrical servant, says,* "Go modern, too, with an electric water heater. Plenty of hot water quickly, easily, safely for all your modern needs."

Pains, distress of "those days" stopped or amazingly relieved

in 3 out of 4 cases in doctors' tests!

How Lydia Pinkham's works

It has a "calming" and soothing effect on the uterus . . . quieting the contractions (see the chart) *that so often cause menstrual pain, cramps, other distress.*

• Here's wonderful news for women and girls who — *each month* — suffer the tortures of "bad days" of functionally-caused menstrual cramps and pain — headaches, backaches, and those "no-good," dragged-out feelings.

It's news about a medicine famous for *relieving* such suffering!

Here is the exciting news. Lydia E. Pinkham's Vegetable Compound — gave *complete* or *striking* relief of such distress in an average of 3 out of 4 of the cases in doctors' tests!

Scientifically Modern Action

Yes! Lydia Pinkham's has been proved to be *scientifically modern in action!*

This news will not surprise the thousands of women and girls who take Lydia Pinkham's regularly and know the relief it can bring.

And it should encourage *you* (if you're not taking Lydia Pinkham's) to see if your experience doesn't match theirs . . . to see if *you,* too, don't avoid the nervousness and tension, weakness, irritability — and pain—so often associated with "those days"!

Remember Lydia Pinkham's, too — if you're suffering the "hot flashes" and other functionally-caused distress of "change of life."

Get Lydia Pinkham's Compound or *new, improved* Tablets with added iron (trial size only 59¢). *Start taking Lydia Pinkham's today!*

School Bulletins

(Continued from Page 1)

year. It is, however, during special observances such as California Public Schools Week, that even more emphasis is placed upon visitation, and school is open at least one night so that everyone may have an opportunity to see his child's classroom.

Open House Scheduled

Evening open house programs have been scheduled for April 29th at the Lakeside School and for April 30th at Lindo Park.

A Smybol of American Freedom

It is hoped that all will take advantage of this opportunity to visit one of our symbols of American freedom — your public schools.

Field Trip

Just before Easter vacation Mrs. Kriel's and Mrs. Schensted's classes went for a very interesting stroll through Lakeside. They learned a great deal during the trip and enoyed it so much that they have requested that we print the following story:

WE TOOK A WALK

Both Mrs. Kriel and Mrs. Schensted and their classes are very grateful to the members of the community who contributed so much to their study of community helpers.

The classes learned, as they watched, how mail is cancelled by Mrs. Oaks; and, when they visited Mr. Long, he demonstrated how air pressure could actually hoist a car into the air and was also used to lubricate an automobile.

The bakery looked and smelled good as Mr. Watkins demonstrated doughnut making, and then decorated their Easter eggs. Needless to say, they also appreciated their Easter bunny cookies.

It was informative to watch Mr. Miller as he demonstrated the care and processes of wrapping and unwrapping meat. Finally, another interesting stop was Mr. Johnson's Variety Store where the class was surprised as they each received a little Easter chick."

Combination 5-6 Grade to Scripps Institution Of Oceangraphy

Students in the 5th and 6th combination grade all agreed that their trip to the Scripps Institution of Oceanography was one of their most interesting school field trips.

They have since written to Mr. Henton, Curator, to thank him for answering their many questions about marine life and helping them so much with this phase of their science studies.

Birthday Party

Sandra Williams shared her birthday cake with her classmates in Mrs. Hanson's Third Grade last Friday. The cake looked so pretty, it seemed a pity to cut it. Incidentally, it tasted as good as it looked — even better.

There are two new children in Mrs. Hanson's room. They are Anthony Vallese and Sandra K. Jordan.

Red Cross Make Easter Bunnies

We hope you had an opportunity to see the cute bunny tray favors that the Lindo Park Jr. Red Cross made at Easter time. The favors were made for various hospitals.

Pre-First Has Two More

Mrs. Edgar's Pre-First Grade were happy to welcome two new children into their class. They are Karen Hunsicker and John Garcia.

Over in a Barrel Next Time?

Did you know how Mr. Jay Heaton sprained his ankle? Well, he fell over a waterfall. Honest . . . thats what he told us.

Rainmaker

Mrs. Hanson takes all the blame. She washed all her windows (inside and out) during vacation, bringing on the fog and drizzle.

Mrs. Edgar Joins Lindo Park Staff.

We are more than a trifle late but we can't allow another issue to go by without welcoming Mrs. Edgar to the Lindo Park Teaching Staff. As you probably know, since we are so late with this news, Mrs. Edgar replaced Mrs. Kainu as the pre-first teacher when it became necessary for the Kainu family to move to Tulare, California.

Further Greetings

Mrs. Ellen Van Ness has joined the Lakeside Office Staff as a part-time secretary. We are happy to have her with us and sincerely hope she stays.

Mr. Duncan, Lakeside Custodian

We welcomed the opportunity to interview Mr. Ernest P. Duncan for those who work in the Lakeside Grammar School, know that he is cooperative, dependable, and very pleasant.

Mr. Duncan who was born in Oklahoma, was raised in New Mexico. He is a veteran of World War One having served for two and a half years in the Army. Two of these years were spent overseas.

After the War, he returned to New Mexico where he worked as a logger and then moved to Arizona and worked for two years in the copper mines in Bisby, Arizona.

It was in 1921 that Mr. Duncan followed Horace Greeley's advice and went further west. He moved to Los Angeles where he and his family lived until the end of 1951.

The Duncans came to San Diego early in 1952 and Mr. Duncan was employed by Weston's Dairy. Unfortunately, however, Mr. Duncan became ill and underwent major surgery. He was therefore forced to leave his work at the dairy which had become too difficult. In August, 1952, after recovering from his operation he joined our staff.

The Duncans say that they like our community very much. Mrs. Duncan of course is the Mrs. Duncan in charge of the Lindo Park Cafeteria, and their daughter Lavonne is in Mr. Lucas' room.

Lakeside Has A New Nurse

We don't really scare the nurses away. As a matter of fact, it has been promised that Mrs. Murphy, the newest recruit to the Lakeside nurse's staff, will stay with us awhile.

The explanation is really quite simple. It all began when Miss May, Lakeside nurse, resigned. She was followed by a substitute who was replaced by a permanent substitute, who became ill, so we had another substitute who contracted the flu and then . . . well, anyway we've been told that Mrs. Murphy is here to stay.

Teachers Entertain Students

On Monday, Lakeside teachers presented an original (?!!) assembly program for the entire student body. An enthusiastic cast enacted a musical version of "Tom Sawyer" which was written and directed by Mr. Herb Ibarra. The very clever stage sets and were the work of Mr. Don Phillips, assisted by his art class. The children were treated to various piano selections by Mr. Guy Kendall.

This same production was repeated at the P. T. A. meeting on April 14th.

In order of appearance, the following took part:

Mrs. Ruby Nelson, narrator; Mr. Art Stone, Mrs. Rosalind Kroll, Mr. Don Phillips, Mr. Herb Ibarra, Mrs. Lee Skimin, Mrs. Eunice Hedger; Mr. Jay Heaton Mr. Archie Pruyne, Mr. John Westrick, Mr. Jim McPherrin, Mrs. Helen Long and Mr. Jim Peters.

Granite Being Hauled For New Road

If you have driven out El Monte Road recently, you will have noticed trucks busy hauling in yards and yards of granite and rock where they are building the new road which will be the main entrance into Lindo Park. San Diego County workers have also just completely installing a huge culvert which will drain all surplus water into the lake.

Birthday Breakfast

A birthday breakfast was served in honor of Mrs. Morton Carlile's natal day last Monday in the home of Mrs. Anthony Held. The group make it a point to have breakfast together on each others birthdays. Gifts and delicious food made the affair a gala one. Present were Mesdames Onar Swearingen, Margaret Wessels, Rachael Gibson, Grace Fankhanel, Alma Conrad, Geneva Held and the honoree, Mary Carlile.

Twelve Naval Supply Depot Employees Receive Awards

Twelve civilian employees of the Naval Supply Depot were awarded $205 in checks for beneficial suggestions which have been adopted. The presentations were made by Captain J. E. Wolowsky, SC USN, Commanding Officer.

The highest award, $55, went to Mrs. Laraine C. Downs, 618 Catalina Blvd., San Diego, for her suggestion on improving the use of vouchers. This should result in a $1000 savings per year for the Supply Depot.

Other awards were: Dwight P. Foote Lakeside, $40; and Edward N. Ensign, 4739 Polk St., San Diego, $20. The following received $10 awards: William L. Angle Escondido; Ada W. Papp, 731 Chalcedony St., Pacific Beach; Sidney G. Butts, 1019 S. Evans St.; H. Desilvey, 211 Orange Ave., Coronado; Getson T. Hayden, 3066 Valley Ave.; Walter McGriff, 3227 "J" Ave.; Alfred N. Mootz, 3720 7th Ave.; Bernice B. Morse, 1077 Madison Ave.; and Neena Mary Q. Uppenkamp, 2909 Juniper St., of San Diego.

EARLY CANCER CURABLE

Cancer is defined as an "uncontrolled growth of cells." It can be cut out by surgery or destroyed by radiation in most cases, if detected early, the American Cancer Society says.

The latest information on cancer diagnosis and treatment is sent without charge to 170,000 doctors regularly by the American Cancer Society.

Jim Wade Leads In Local Derby

The Yellowtail Derby is on and is now in its second week. Jimmy Wade of Lakeside is leading in the beginning of the second week, having pulled in a yellowtail weighing 14 lbs. 8 oz.

The local derby is being sponsored by the Lakeside Rod and Gun Club with many local merchants donating valuable prizes to the winners.

Any person who is a resident of the Lakeside School District is eligible to enter this contest. Weigh-ins should be registered at Cecil's Sporting Goods Store located on Woodside and Main Sts. A display card showing the names and weights of fish brought in each week, will be on display in the window.

Merchants donating prizes are as follows:

El Monte Service Station.
Lakeside Beauty Shop.
F. L. Boyd Real Estate.
Benders Auto Parts.
Cecil's Sporting Goods.
Lakeside Cleaners.
Huffman's Dept. Store.
Lakeside Union Service Station.
Lakeside Rod and Gun Club.
Bole Paint Pot.
Lakeside Star.
Long's Texaco Service.
Wilson White Mfg. Co.
Lakeside Electrical Appliance.
Lakeside Liquor Store.
Coffie's Motor Service.
Al's Garage.
Cecil's Drive.
Watkins Bake Sweet Shop.
M & H Market.
Mt. View Real Estate.

Come on fellows and gals — let's get in the derby and win one of the fine prizes which have been given and will be shown in Cecil's window shortly. For further information drop by Cecil's, he will furnish you with rules and regulations. More next week in the Star.

Return From Trip

Arriving back in Lakeside last week, Mr. and Mrs. Frank Croft and Mrs. Marie Marshall have been bragging to everyone they meet about the wonderful trip they had which took them to El Paso. Texas where they had a pleasant visit with the Croft's son, Mr. and Mrs. Robert Croft and family. The children were happy to renew acquaintances with their auntie Marie.

Leaves For Home This Week End

Having come to Lakeside to bid her in-laws adieu, Mrs. Rose Barker and two children plan to leave Lakeside this coming week end to return to their home in Blythe, Calif. where Bill Barker is employed.

Bob and Marg. Watkins will drive Mrs. Barker and the children to their home.

Farm Bureau To Meet

A Milk Hearing will be called. We must organize to present the facts. Meeting of organization will be Thursday, April 16, 1953, at 8:00 p. m. Meeting to be held at the Lakeside Union Grammar School.

All Dairymen are urged to attend. Bring your wife.

THE SCOOP . . .

Jayne White

Dinner guests at the Wallace Phillips home last Sunday evening were Mr. and Mrs. Kenneth Willey of San Diego. The guests and Mr. and Mrs. Phillips had motored to Cuyamaca, and on their return trip they stopped at the Belch Bros. Ranch near Flynn Springs where they enjoyed visiting.

Mrs. Jayne White is leaving Sunday by plane for San Francisco for a week's vacation, visiting her nephew Robert Gale and family, her sister Mrs. Helen Kotter and family from Antioch and her niece Mrs. Barbara Wright and family at Stockton.

Jayne will return Sunday with her husband Wilson from Bakersfield, where he is atending an Archery State Tournament Saturday and Sunday.

Newcomer to Lakeside

Mrs. Pearl Umburn has purchased one of the attractive new homes just completed by the Whitaker brothers on Palm Ave. off of Julian Ave. and is now gradually becoming settled in her new quarters. Mrs. Umburn lived at Placierville, Calif. together with her husband who passed away three years ago. Since then she has been busily engaged in nursing in San Diego being a graduate nurse.

Mrs. Umburn is already in love with Lakeside with its many rolling hills and valleys. She would be happy to become acquainted with some of you folks.

Deaths from cancer of the lung increased five-fold between 1933 and 1949, American Cancer Society statistics show.

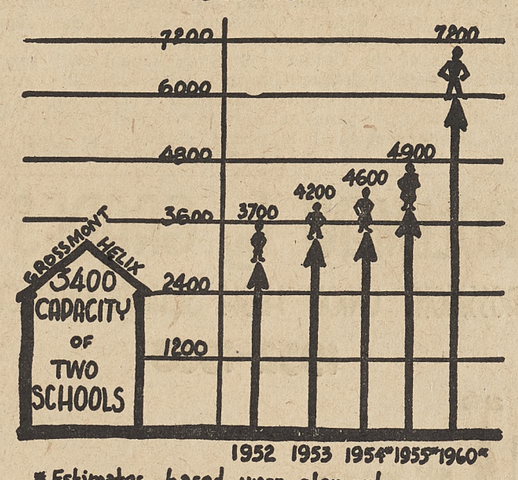

Weaver's Guild Meets Today

The regular meeting of the Weaver's Guild will be held today (Thursday) in the home of Mrs. R. K. Miller at 2 p. m.

A general discussion on the County Fair will be the main topic to be brought up.

Visits Sister in Altadena

Mrs. Sybil Roberts has been a house guest of her sister and family at Altadena. She left last Wednesday and returned the early part of this week.

Enrollment has already exceeded capacity by 300. In 1955, 1500 students will be unhoused unless additional classrooms are built. By 1960 the 7200 enrollment will overwhelm the facilities now available. The failure to approve the construction of additional facilities would destroy the birthright of young Americans in our community. They deserve an equal educational opportunity which can be provided through a well planned construction program.

LEGAL NOTICE

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

To Whom It May Concern:

Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

S/S Hwy. 90 (Rodeo Grounds) Barrett.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance on original application of an alcoholic beverage license (or licenses) for these premises as follows:

On Sale Beer.

Anyone desiring to protest the issuance of such license (s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages.

Kathryn E. Jones
